Terms of Enrollment

This is a planned maintenance agreement provided to you by Franklin's HVAC. Annual maintenance is a condition of your manufacturer's warranty. You will see the benefits far out weigh the investment of this pro-active service. Cancellation of the agreement must be sent in writing to the office or it will automatically roll over to a new contract year. Your maintenance technician can address any questions you have during their visit. One major repair discount can more than pay for this valuable service!
